

Thank you Saputo Dairy Australia

In 2023, you've helped people in need with...

594,100

meals donated to people in need

+

~ 250,000

litres of milk for our vital National Fresh White Milk Program

+

8,400

towards sourcing food and grocery relief

Australia is in the midst of a food security crisis in which 48% of the population feels anxious about or struggles to access adequate food consistently. In 2023, thanks to your generosity and kindness, we sourced the equivalent of 92 million meals (51 million kilos of food and groceries) to ensure those who are struggling can put a meal on the table and groceries in their cupboard.

"Having access to Foodbank has been a godsend; without Foodbank, I wouldn't be able to feed my children quality home-cooked meals every day. I wouldn't be able to feed them every night without you guys."
